Helping beloved pets thrive and/or avoid surrender to PARL.

↑ 416% Compared to 2019

Demand for this vital service indicates a significant need in our community.

SPECIAL VET CARE NEEDS

Most animals needed extra care above routine exam and vaccination. Many of these conditions required a longer stay in our care. Most common conditions encountered in 2023:

- Dental Disease
- Infection
- Urinary Conditions
- Underweight/Overweight
- Orphaned/Nursing Newborn
- GI Upset/Parasite
- Pregnant/Nursing
- Wound of Unknown Origin

EMERGENCIES

37 ANIMALS NEEDED EMERGENCY CARE

\$1,622

AVERAGE ER VET BILL PER ANIMAL

INTAKE TRENDS

Over 57% of intakes in 2023 were surrendered to our care, most often due to circumstances beyond the family's control.

602
PET SURRENDERS
↑ 3%
Compared to 2022

MOST COMMON REASONS FOR PET SURRENDER

- 1 HOUSING ISSUES/LOSS OF HOUSING
- 2 FINANCIAL ISSUES/CANNOT AFFORD
- 3 POOR HEALTH OF OWNER/DEATH OF OWNER

*“ To: The Providence Animal Rescue League,
I am surrendering my beloved Charlie as I can no longer take care of him as he needs to be taken care of. My heart is broken at having to say goodbye to my beautiful friend...*

Please be kind to him. ”

*To The Providence Animal Rescue League,
I, [Name], am surrendering my beloved Charlie as I can no longer take care of him as he needs to be taken care of. My heart is broken at having to say goodbye to my beautiful friend.
Please be kind to him.*

Charlie found loving care at PARL. He was quickly adopted and we're so glad we were trusted to help!

Pets enrich our lives, share unconditional love, and bond closely with those who need it most. We remain dedicated to programs and services that help families stay together when best for all.

When surrender is necessary, we pass no judgement and meet every person and animal with grace and respect.
